ATELIER “PROGETTO AMBIENTE”: L’ ACCOGLIENZA / *Atelier “Progetto Ambiente”: hospitality*

Il primo contatto tra il cliente ed il vostro ambiente professionale deve essere rassicurante e positivo, per poter instaurare rapporti di fiducia durevoli nel tempo. La cordialità del personale unita alla competenza sono sicuramente componenti insostituibili del vostro lavoro, ma lo è altrettanto la cura dell’ambiente e il progetto che lo riguarda. / Le premier contact entre le client et votre espace professionnel doit être rassurant et positif, afin de pouvoir établir un rapport de confiance durable dans le temps. La gentillesse du personnel et les compétences sont des éléments irremplaçables de votre travail, au même titre que leur environnement et le projet relatif. / Um ein lang anhaltenden Vertrauensverhältnis zu schaffen, muss der erste Kontakt zwischen dem Kunden und Ihrem Arbeitsumfeld beruhigend und positiv ausfallen. Unersetzbare Bestandteile Ihrer Arbeit sind sicherlich das freundliche Personal und die Kompetenz, aber ebenso wichtig sind eine gepflegte Umgebung und das diesbezügliche Projekt. / El primer contacto entre el cliente y vuestro ambiente profesional debe ser alentador y positivo, para poder instaurar relaciones de confianza que duran en el tiempo. La amabilidad del personal junto con la competencia son componentes insustituibles en vuestro trabajo, pero también, la atención para el medio ambiente y el proyecto que se ocupa de esto, lo son.

/

The first contact between clients and your professional environment should be reassuring and positive, to establish durable relationships of trust. The friendliness and expertise of the staff are definitely irreplaceable components of your work, but so is the care of the environment and the project concerning it.

Progetto Ambiente propone una gamma di prodotti accuratamente selezionati per offrire una perfetta sintonia tra design, tecnologia e comfort.
